Final

Studying

- Continue to take practice exams
 - Emphasize studying in areas you feel the weakest
 - Go to topical review sessions
 - Use online resources!

Relax (Try Your Best :D)

- Don't study day of, relax and chill AT LEAST 5-6 hours before
- Try not to stress out too much, you'll forget about this class completely in 6 months - 4 years
- Y'all are prepared!

Worksheet

Thank you!!!
